WELCOME TO  
AMBASSADORS CLUBHOUSE

Ambassadors Clubhouse is a restaurant and bar, celebrating food, drink and music from Punjab; delivered with classic Punjabi hospitality. An ode to our founders' grandfather and his residence in Northern India, the restaurant takes inspiration from the party mansions of the region, and celebrates classic Punjabi hospitality through the sharing of fine food and liquor. # THE FOOD

The food focuses on the cuisine of undivided Punjab. Culinary traditions and rare regional recipes - that of street dhabas, to homes and the royal kitchens of Punjab - will inspire a classic menu, delivered with Punjabi hospitality.

# THE DRINK

An all-day drinks list brings guests through lunch to dinner to late-night party, with a focus on tequila and mezcal cocktails blended with regional produce.

EXCLUSIVE AND  
SEMI-EXCLUSIVE HIRE

# THE GROUND FLOOR

A gold dome adorned with delicate etchings of the restaurant's crest acts as the focal point of the main dining room, flanked by a tiled and marquetry-designed bar. Banquette and booth-style seating around the room bring through a traditional tavern style; rattan cane is polarised against accents of paisley to bring through the contrast of modern and old.

## CAPACITY

42 SEATED - 60 STANDING

# THE LOWER GROUND FLOOR

The aesthetics of the lower ground floor will reveal a high-gloss, decadent club space; an experience that can only be compared to an escape into the fever dream of a globe-trotting Hindu merchant. Animal printed-walls with a gold-paint outline, a mirrored copper ceiling and intricate paisley carpet builds the atmosphere, while lower-style seating encourages lounging, with tables angled towards a central party space beside the bar. The coffered ceiling is encapsulated by mirrors while traditional Indian armoured shield bolted to the walls creates a brutalist shimmer for after hour parties.

## CAPACITY

40 SEATED - 60 STANDING

# THE VERANDAH

A poignant feature from the Ambassador's original residence, the verandah will be lined with jasmine plants and feature mosaic-topped tables. An awning will come down over the heated space, open all year round.

The Tamasha Room, seating up to ten, is gold-outlined and complete with mirrored ceilings.

Found just behind the DJ booth, this private dining room ensures the party is carried through behind the curtain.

Located on the ground floor, the Raja Rani Room seats up to twelve guests. Bespoke handmade tiles classically found in the party mansions of India adorn the walls, while decorative purpose made lighting, manufactured in Delhi hangs from the ceiling. Indian patterns feature heavily, with floral paisleys on the ceiling and traditional motifs on the carpet. The room is a trippy collection from the traditional to Art Deco proportions, creating a fun and convivial space.
